**Gravity  
Worx**  
INDOOR CLIMBING GYM 

## TOP ROPED SAFETY COMPETENCY

I Sebastian Prostimo and/or my child/minor

acknowledge that I/we have undertaken the Gravity Worx Safety Induction and am able to use the gym facilities unassisted, as well as having a thorough understanding of the following:

- \* Gravity Worx Centre Rules
- \* Proper use of Harness
- \* Proper use of karabiners (including that I must have two karabiners clipped into my harness before leaving the ground to climb, clipping direction must be opposed)
- \* Proper communication
- \* Proper ground sling length
- \* Proper use of auto belay systems and safety "Climber Above" drop down mats
- \* Buddy check of climbing partner prior to leaving ground on every climb
- \* Identification of potential hazards and how to move safely within the gym
- \* Correct "5 step" belaying method for top roped climbing
- \* Correct Lowering method for top roped climbing
- \* Gravity Worx takes **NO** responsibility for the condition of my personal climbing equipment that I provide

I have achieved the necessary skills to use the auto belays and the top roped setups
