Climbing Participation Statement

"All climbing and bouldering activities have a risk of serious injury or death. Participants must be aware of and accept that even if they follow all good practice there may still be the risk of accident and injury. It is the responsibility of the participant to adhere to the conditions of use."

It is important that you understand this document. There is inherent risk involved with climbing and associated activities. By signing this form, you are stating you understand that these risks cannot be completely removed and you are hiring equipment at your own risk.

If you do not understand any of the terminology or content, ask a member of staff to clarify.

THE SOFT MATTING DOES NOT REMOVE THE RISK OF INJURY. Injuries can still occur even after a controlled/planned jump but are more likely after an uncontrolled fall. You should always be doing your utmost to avoid the risk of uncontrolled falls. This includes paying attention to how you will land and always assessing the risk of each climb that you undertake.

- The hirer is fully responsible for their actions whilst using the rental mat. Bloc10 Bouldering does not accept responsibility for the actions of the participant(s) nor the consequences of such actions.
- The hirer is responsible for themselves and the mat. They are also responsible for hiring their own insurance protection while using a rental mat. Any accident or injury caused by the hirer's actions will be the full responsibility of the hirer.
- The hirer will be fully responsible for any fees or costs incurred or arising from an accident either involving or caused by the hirer.
- The hirer agrees that they are physically and mentally capable of climbing / bouldering.
- The hirer must be a person aged 18 years or over. Evidence of age may be requested.

- Bloc10 Bouldering is not responsible for damage to clothing and/or personal belongings whilst the hirer is hiring the mat.
- The hirer agrees to return the mat to Bloc10 Bouldering within the agreed time frame. Failure to return the mat will result in Bloc10 Bouldering recovering the full retail value of the mat from the hirer.
- Late return of the rental mat will be charged at £30. In the event of unforeseen circumstances resulting in late return of the rental mat, waiving this fee will be at the discretion of Bloc10 Bouldering.
- The hirer is responsible for any negligent damage caused to the mat. The cost of any damage caused (over and above standard wear and tear) will be recovered from the hirer. Bloc10 Bouldering reserves the right to retain the deposit if the mat is excessively damaged.
- Photo ID must be provided before the rental mat(s) will be released to the hirer. Only nationally recognised forms of ID will be accepted i.e. Photo driving license and passport.
